## **GOLDEN ARROW SECURES COURT ORDER AGAINST SANTACO**

Golden Arrow Bus Services has one primary objective and that is to provide safe and reliable transport to Cape Town's commuters. We therefore approached the High Court as a result of the intimidation and harassment as well as acts of vandalism directed towards our employees, passengers and buses following the announcement of a taxi strike on Thursday, 03 August 2023.

On Sunday 06 August 2023, having read the papers filed by Golden Arrow and following agreement between Golden Arrow (the applicant) and the respondents (including SANTACO and its eight affiliated members participating in the strike) it has been ordered by the Honourable Justice Gamble that the respondents are interdicted from intimidating, harassing, threatening or interfering with Golden Arrow, its employees and passengers. Respondents must take all reasonable steps to ensure that Golden Arrow is able operate without interference.

The Court Order and statement from selected respondents is attached for ease of reference.
